

He also reported a plugged channel at the dam and said David Record is working there and has taken out 140 yards of gravel which will be used on the road. Also two culverts need to be fixed.

Paquette reported that D and D Electric fixed a ceiling light that fell in the Post Office Building this week and she feels the other lights should be looked at as well for safety reasons. She has also asked for quotes for repair to the library porch and the Post Office floor.

Pond said he has ordered signs for the playground saying "no dogs on the ballfields". He said people take their dogs to the area and don't clean up after them and they dig the ballfields. He will also call SunRay to look at camera four which isn't working.

The meeting adjourned at 7:45 p.m.

Respectfully submitted:
