

Planning Commission Meeting Minutes of 5/9/2022
Meeting called to order @ 6:12pm

Members Present: Jacques Desautels, John Libbey, Mark Waterhouse, Renee Patterson, and Arthur Pond

Adjustments: None

Guests: Emily Klofft, Northwest Regional Planning

John distributed documentation provided by Emily regarding the upcoming "Walk Audit" which we set to coincide with our next regular meeting on Monday, June 13th to begin at Davis Park @ 5:30pm with a rain date of Wednesday, June 16. The documents provided included a schedule of the walk, a walk audit glossary of terms, a walk audit draft map, and a walk audit question/input worksheet. It was recommended that we invite at least a representative of the Selectboard, a representative of the school district, the economic director, representative of the town clerk's office and other interested community members. Should not exceed a total of about 20 people. Use of ATV may be used by some unable to walk the route.

Subsequent meetings with NRPC in July & September will be an opportunity to give input for what our vision/wants for the village center prior to plan development. There is a very good opportunity for application of federal infrastructure grant funds within the next couple of years for this project.

Minutes: 3/14 & 4/18 - Renee suggested making corrections to the April 18 minutes as follows: Adding "no" prior to "official action taken" in the first paragraph, and changing "Mile" to "Mike" prior to Olio. Arthur made a motion to accept both minutes with corrections as noted and was seconded by Jacques. All in favor.

Bylaws Update: Selectboard recommended to add some regulation for driveway specification due to a recent issue arising. Renee will get a driveway permit application from Montgomery and perhaps other municipalities to use as examples of what other towns have in place.

Mark made a motion to adjourn @ 7:08 pm and was seconded by Arthur. All in favor.

Respectfully submitted,
Renee J Patterson, Board Secretary
